

## Dawson cuts the price of OP titles by 15%!

Recent success in negotiations between Dawson and our suppliers allows for substantial reductions in OP prices on enterBooks.com for our library customers. Prices shown on enterBooks.com now reflect this reduced price.

- All enterBooks.com OP titles also receive full library discount and are fully inclusive of all shipping and handling charges.
- Supplied by Alibris, our Out of Print partner in America, daily airfreight ensures the fastest possible availability.
- Out of Print Books are fully integrated into the Dawson processes and can be provided shelf-ready and invoiced together with all other titles.

enterBooks.com - the most economical method of acquiring OP material for your library.

**Dawson - working with you!**
