

# International Marketing Reports arrives on dawsonera!

International Marketing Reports is a market intelligence publisher in sports marketing, sponsorship and digital television. IMR has published the world's most successful sports sponsorship report 'Driving Business Through Sport', as well as the most detailed analysis ever of commercial opportunities in soccer; 'Football Sponsorship & Commerce'.

These titles are all now available from dawsonera:

- ▷ Corporate Social Responsibility and Sports Sponsorship: How Sport Helps Business Fulfil CSR Obligations.  
*A new report explaining how businesses are using sport more and more to fulfil their CSR obligations. With best practice case studies from around the world and comments from industry experts, the report looks at the background of CSR in business and the benefits to organisations of linking their CSR programmes to sport.*
- ▷ Football Sponsorship and Commerce: An Analysis of Sponsorship and Commercial Opportunities in Football.  
*The report explains how football sponsors can benefit from their rights and maximise their investment.*
- ▷ Driving business through sport: an analysis of Europe's sports sponsorship industry, business opportunities and best practice  
*The most comprehensive analysis of the European sports marketing industry to date.*
- ▷ European Pay-TV Forecasts: An Analysis of the Macroeconomic Environment for European Pay-TV.  
*David Brown's report provides an unparalleled and comprehensive source of data on the European Pay-TV industry, including every key statistic necessary for business strategy.*
- ▷ Pay-TV Business Planning: An Analysis of Pay-TV Business Planning, Channel Operation and Economics.  
*An estimated 150 Pay-TV channels have closed in Europe in the past five years, and mostly through poor business planning. This report examines the reasons for failure, alerting the reader to potential disasters and shows how to create strategies for success.*
- ▷ Electronic Programme Guides: Key Principles of Effective EPG Design.  
*The report presents the latest research into viewer behaviour when using EPGs. This is vital information for anyone seeking to design an EPG, because it demonstrates how viewers navigate the digital television environment and how they react to different screen formats.*
- ▷ Films and Pay-TV: Film Channel Operation and Economics.  
*A Guide for Channel Operators, Producers, Studios and Distributors to Profit Fully from Movies.*
