

dawsonera

A new ebook era has arrived ...

A long history of innovation and partnership has been the hallmark of Dawson Books.

dawsonera is a natural evolution to this standard, providing libraries with the supply chain solutions they need.

Integrating seamlessly with the existing Dawson services, this major investment indicates the long term commitment of Dawson to providing libraries and information departments with the content they require, whether printed books or new media.

Working with the world's leading academic publishers, Dawson Books has ensured that rich and diverse content populates dawsonera for the benefit of your library users.

A new dawsonera for you and your library.

- ◆ 96,000 ebooks currently available and increasing all the time
- ◆ More than 225 contributing Publisher partners and imprints
- ◆ Integration with enterBooks.com and enterProfile.com
- ◆ Proposals or orders via EDI
- ◆ Electronic order confirmations

Multiple Concurrent Access:

- ◆ Lend to more than one user at a time
- ◆ Remote access 24/7
- ◆ 5 minute preview of non-owned content

Sophisticated Digital Rights Management

- ◆ Read online, or download using Adobe Reader®
- ◆ Print and copy permissions
- ◆ Notes and favourites

www.dawsonera.com

Reader Portal

Offer your readers either just the ebooks in your own collection or all the other titles not yet owned. If the latter option is chosen, users will be able to preview content in non-owned ebooks for 5 minutes and then request rentals for periods of 1, 2 or 3 weeks.

Admin Portal
