

# Over 500 Wiley-Blackwell ebooks added to dawsonera!

New titles, including many recently published, and uploaded to dawsonera in the last week, include:

## ▷ **Applying forest science for sustainable management**

Edited By Julian Evans.

*The Forests Handbook, written by an international team of both scientists and practitioners, presents an integrated approach to forests and forestry, applying our present understanding of forest science to management practices, as a basis for achieving sustainability.*

## ▷ **The Blackwell companion to Catholicism**

Edited By James J. Buckley, Frederick Christian Bauerschmidt, and Trent Pomplun.

*The Blackwell Companion to Catholicism offers an extensive survey of the history, doctrine, practices, and global circumstances of Roman Catholicism, written by a range of distinguished and experienced Catholic writers.*

## ▷ **The European Union : a political sociology**

Chris Rumford

*The European Union is the first full-length treatment of European integration from a sociological perspective. It redirects the core concerns of political sociology away from nationally bounded societies towards a 'sociology beyond societies', capable of making a valuable contribution to thinking about the nature and problems of the EU.*

## ▷ **The Normans**

Marjorie Chibnall.

*This book examines the emergence of the Normans, their characteristics as a group, and their various achievements in war, culture, and civilization. This book explores what they believed made them a distinct people and how they constructed their identity.*

***to name but a few!!***
