

Europe's leading ebook platform

Our Publishing Partners ...

Dawson Books has licensed 115,000 ebooks. Coverage on dawsonera now extends to over 275 publishing partners.

The number of titles on dawsonera continues to rise as content from newly signed publishers and weekly feeds from existing publishers are loaded to the platform. Dawson Books works in partnership with libraries and publishers to ensure that front list material relevant to the academic community is available to purchase on dawsonera on the platform at the time the printed book is published.

Below is a complete listing of all our dawsonera partners. Recent additions are shown thus: **Apress**
