

## New content from Hodder Education and Welcome to Bentham Science!

**Hodder Education** is part of [Hachette UK](#), the largest and one of the most diverse book publishers in the UK who have been part of the dawsonera family for almost a year now. We are excited to have 100 brand new titles from Hodder Education for you to purchase.

If you don't already know, Hodder Education covers books, resources, digital materials for the Schools, Vocational, Higher Education and Self-Learning Markets. It is the second largest publisher for secondary education in the UK and has market-leading positions in Secondary History, Science, Religious Education, Business Studies and the Social Sciences. They are OCR's publishing partner for a range of subjects and have recently launched the award winning [Dynamic Learning](#), a ground-breaking digital resource for teachers and students. These well-established and successful lists include market-leading lists in Catering and Early Years, and the Michel Thomas Language Courses which have dominated the best-seller charts since their launch in 2000.

Under the Hodder Arnold imprint, Hodder Education publishes books and digital resources for medicine, nursing and allied subjects at undergraduate, postgraduate and professional level. Subjects covered include Anaesthesia, Cardiology, Forensic Medicine, Midwifery, Nursing, Oncology, Respiratory Medicine and Surgery, as well as many others. With over 500 books in print, and approximately 60 new titles published each year, there is a book to cover every stage of a medical career – from course textbooks and guides for revision and study to operative manuals and reference works. Hodder Arnold is committed to working with internationally renowned authorities to produce trusted, specialist high quality resources for students, academics and professionals.

Titles now available on dawsonera include both undergraduate and postgraduate textbooks across a wide range of specialities, from Anaesthesia to Surgery, covering Examinations, Nursing, Midwifery and Allied Health texts, study guides, revision guides and a range of professional and reference titles covering subject areas from Cardiology to Psychiatry.

A small example of the new titles now available includes:

9781444109702	Mnemonics and Study Tips for Medical Students
9781444109832	Scott-Brown's Otorhinolaryngology: Head and Neck Surgery 7 <sup>th</sup> Edition
9781444113037	Nursing Practice and Health Care 5 <sup>th</sup> Edition

**Bentham Science** are a major STM journal publisher of 92 online and print journals, over 200 open access journals and related print/online book series, and aim to answer the informational needs of the pharmaceutical, biomedical and medical research community. They are fully committed to eBooks and publish online and open access eBooks and eLectures in all areas of Science, Technology, Medicine, Social Sciences and Humanities. Their highest quality eBooks and eLectures provide a correct source of information to academicians, corporate researchers, graduates and undergraduates worldwide.

Bentham publications cover all major disciplines including Health and Natural Sciences, Technology, Humanities and Social Sciences.

A small selection of titles now available on dawsonera includes:

9781608050666	Social Determinants, Health Equity and Human Development
9781608050796	Introduction to Digital Holography
9781608050277	The Emerging Self in Psychotherapy with Adults

Both are a wonderful addition to our growing catalogue and I'm sure you will enjoy browsing their titles when you are next online.

For more information about dawsonera, or to request a specific publisher list, please contact: [enquiries@dawsonera.com](mailto:enquiries@dawsonera.com) or telephone +44 (0)1933 417500 to speak to a member of the team.

Take advantage of our title matching facility. Either supply a wish-list of titles, or ask Dawson to match against your printed acquisition history.
