

howtobooks now available on dawsonera

How To Books is a pioneering publisher of self-help books and we are pleased to welcome their titles to dawsonera.

With How To Books, there's a title for everyone, at home and at work, and there's one for most of life's challenges and opportunities. Inspiring and practical, How To Books support personal change and lifelong self-reliance.

All their titles are written by people with direct experience of their subject, very much a 'been there, seen it, and above all done it' writing approach. The passion of their authors shows through in clear, accessible and inspiring texts and the ebooks do 'exactly what they say on the tin'. How To Books explain that their aim is to 'help others help themselves change their life and work for the better'.
