

University of Hertfordshire Press signs to dawsonera

University of Hertfordshire Press is the publishing house of the UK's leading business-facing university, University of Hertfordshire, based in Hatfield. Established some fifteen years ago, the Press has developed a strong reputation in several niche areas: Romani Studies, Local Population Studies, History, Education, Theatre History, Literature, Psychology and Parapsychology.

The Handbook of Essential Mathematical Formulae is one of their best-selling titles. This handbook is intended for students of mathematics as well as of subjects with significant mathematical content such as engineering, physical sciences, economics, business studies and computer science. It contains vital information and formulae for algebra, geometry, calculus, numerical methods and statistics.
