

### **Bioscience specialists available from dawsonera**

In addition to the very large numbers of ebooks from the best known science publishers such as Elsevier, Wiley and Springer, dawsonera also provides content from smaller niche publishers in the biosciences:

**Science Publishers (USA)** produces top-quality ebooks on plant science, environmental conservation and aquaculture. Experts in their field are commissioned as authors to write to the highest academic standards. Over 70 ebooks are available to purchase on dawsonera including the following titles:

- A Compendium of the World's Medicinal Flora
- Fish Cytogenetics
- Genetic Improvement of Solanaceous Crops
- Monitoring and Evaluation of Soil Conservation
- Modern Industrial Microbiology

**Clinical Publishing** is an independent publisher of clinical reference works invaluable to the advanced medical practitioner. With over 40 ebooks available to purchase, a selection of these titles include:

- Therapeutic Strategies in Dementia
- Asthma: an Atlas of Investigation
- Managing Allergy
- Problem Solving in Diabetes

**Manson Publishing** is another independent science publisher with a reputation for excellence whose focus is on disease, whether of humans, other animals or plants. Examples of their current titles include:

- Parkinson's Disease: A Clinician's Desk Reference
- A Colour Handbook of Heart Failure
- Pests of Fruit Crops
- Plant Nematodes of Agricultural Importance
- Sheep Medicine
